The following are the risks relating to the Company, the non-convertible debt securities including Debentures and/or Commercial Papers and the market in general envisaged by the management of the Company. Potential Eligible Investors should carefully consider all the risk factors stated in the Disclosure Document(s) for evaluating the Company and its business and the non-convertible debt securities including Debentures and/or the Commercial Papers before making any investment decision relating to the non-convertible debt securities including Debentures and/or the Commercial Papers. The Company believes that the factors described below represent the principal risks inherent in investing in the non-convertible debt securities including Debentures and/or the Commercial Papers. Potential Eligible Investors should also read the detailed information set out elsewhere in the Disclosure Document(s) and reach their own views prior to making any investment decision.

3 GENERAL RISKS

3.1 RISKS IN RELATION TO THE NON-CONVERTIBLE SECURITIES:

(a) Repayment is subject to the credit risk of the Issuer.

Potential investors should be aware that receipt of the principal amount, (i.e. the redemption amount) and any other amounts that may be due in respect of the non-convertible debt securities including Debentures is subject to the credit risk of the Issuer. Potential investors assume the risk that the Issuer will not be able to satisfy their obligations under the non-convertible debt securities including Debentures and/or the Commercial Papers. In the event that bankruptcy proceedings or composition, scheme of arrangement or similar proceedings to avert bankruptcy are instituted by or against the Issuer, the payment of sums due on the non-convertible debt securities including Debentures and/or the Commercial Papers may not be made or may be substantially reduced or delayed.

(b) The secondary market for non-convertible securities may be illiquid.

The non-convertible securities may be very illiquid, and no secondary market may develop in respect thereof. Even if there is a secondary market for the non-convertible securities, it is not likely to provide significant liquidity. Potential investors may have to hold the non-convertible debt securities including Debentures and or the Commercial Papers until redemption to realize any value.

(c) Credit Risk & Rating Downgrade Risk

The Rating Agency has assigned / shall assign the credit rating to the each issue of non-convertible debt securities including Debentures and/or the Commercial Papers. In the event of deterioration in the financial health of the Issuer, there is a possibility that the rating agency may downgrade the rating of the non-convertible debt securities including Debentures and/or the Commercial Papers. In such cases, potential investors may incur losses on revaluation of their investment or make provisions towards sub-standard/ non-performing investment as per their usual norms.

(d) Changes in interest rates may affect the price of non-convertible debt securities including Debentures and/or the Commercial Papers.

All securities where a fixed rate of interest is offered, such as this Issue, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e. when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon,

days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the pricing of the non-convertible debt securities including Debentures and/or the Commercial Papers.

(e) Tax Considerations and Legal Considerations:

Special tax considerations and legal considerations may apply to certain types of investors. Potential investors are urged to consult with their own financial, legal, tax and other advisors to determine any financial, legal, tax and other implications of this investment.

(f) Accounting Considerations:

Special accounting considerations may apply to certain types of taxpayers. Potential Investors are urged to consult with their own accounting advisors to determine implications of this investment.

(g) Material changes in regulations to which the Issuer is subject could impair the Issuer's ability to meet payment or other obligations.

The Issuer is subject generally to changes in Indian law, as well as to changes in government regulations and policies and accounting principles. Any changes in the regulatory framework could adversely affect the profitability of the Issuer or its future financial performance, by requiring a restructuring of its activities, increasing costs or otherwise.

(a) Lending Policy: Should contain overview of origination, risk management, monitoring and collections:

Our group loans (including income generating loans and dairy loans) are based on a group lending model, catering exclusively to women. An informal JLG (typically comprising between four to ten members) provides joint and several guarantees for loans obtained by each member of the JLG. This model is based on the idea that people belonging to lower-income segments have skills that are under-utilized. It is further premised on the fact that if such individuals are given access to credit, they will be able to identify new opportunities and grow existing income generating activities such as running local retail shops, providing tailoring and other assorted trades and services, raising livestock, cottage production such as pottery, basket weaving and mat making, land and tree leasing, among others. We believe that access to basic financial services can significantly increase economic opportunities for families in the lower-income segment.

Our lending model comprises five key elements that we have summarized below.

Village Selection

We believe it is important for us to determine the feasibility of a village for our lending business before we commence operations in that area. We designate business development officers to be responsible for a specified village or set of villages. Our business development officers conduct a comprehensive survey to evaluate the local conditions and potential for operations based on several key factors that include total population, income levels, road access, political stability and safety. After a village has been selected, our employees conduct public meetings in the village to introduce themselves and our Company. In these

meetings, we explain the concepts of group lending, our lending procedures and the requirements for group formation.

Focus on Women

We lend to women in low income households, even if loan proceeds are used in the household business that is run by the family, including the husband. We believe that women can positively influence loan repayment in their household because they are generally more risk-averse, cooperate better in groups, and are generally more accessible than their working husbands and can meet regularly to handle the repayment of their loans. We believe that providing women with access to capital in this manner increases their decision-making stature in the household. As decision-makers, we believe women can help direct disposable income to the more basic needs of the home such as nutrition, education and home repairs.

Member Training

We believe it is crucial to build a culture of product awareness and credit discipline from the early stages of group formation. We address this through training and education. We provide basic product awareness training for our members as many of them have varying levels of literacy and awareness about financial products and services. In particular, our training sessions are participatory and employ visual aids such as seeds, coins and cardboard cut-outs to explain the elements of our products and procedures. Our standardized training programs serve as a platform for increased trust and discipline within the JLGs which we believe translates to better loan portfolio performance and contributes to the sustainable growth of our business. Once a group is formed, we conduct training sessions or compulsory group trainings, consisting of a series of hour long sessions over three days. During the training period, our employees also collect quantitative data on each potential member to ensure she qualifies for the program and to record baseline information for future analysis. On the last day, a group recognition test is administered and members are officially inducted. Many of the training sessions have an everyday beneficial effect on our members such as the ability to sign their name, count cash and work in groups.

Joint Liability Group Lending Business Processes

Customer Due Diligence Processes - Our branches enroll customers who satisfy the target clientele criteria. The size of the groups is flexible with a minimum of four and a maximum of 10 women customers in a group. One or multiple groups form a center which typically has 5 to 35 customers. Once the interested women customers have formed their groups, we provide further information to them, such as a brief introduction to our Company, criteria for group formation and group responsibilities. Immediately after the formation of the group, the relationship officer visits the prospective customers' house to collect the know-your-customer documents and basic data of the customers. We require each customer to provide two identification proofs, namely: the Aadhar card and a voter ID card. At each customer's house, we include all the family members in the conversation during the information gathering session. The customer's husband and household elders are briefly informed of our rules and regulations, including the compulsory training for women customers.

Once relevant know-your-customer documents and customers' information is collected, it is sent to our hub branches for data entry in our core banking system and credit bureau check. Upon receiving a positive credit bureau response, the relationship officer will conduct comprehensive group training.

We believe that group training is necessary for developing group solidarity and strict credit discipline; and for groups to work together and be responsible for financial transactions, both individually and as a group. The duration of the compulsory group trainings is typically three days, which might be extended if relationship officers deem it necessary (30-60 minutes each day), for new centers and new groups in existing centers. The group training covers various topics such as center meeting processes, rules and regulations of our Company, awareness of products and processes, bank accounts, savings and insurance. On the last day of the group training or at a later date, re-interview is done by the credit officer to determine the customers' level of

(This General Information Document is neither a prospectus nor a statement in lieu of a prospectus)

understanding of the topics covered during the training. The credit officer then visits the homes of the new customers to verify the potential customers and obtain the consent of their family members for the customers becoming borrowers. If the credit officer is satisfied, he conducts the group recognition test. The group recognition test is designed to assess the quality of the proposed group and to confirm that they meet all our criteria. All the customers who have cleared the re-interview process are present during the group recognition test. Based on the results of the group recognition test, the credit officer recommends for loan processing and branch manager decides whether or not to approve the group. Through this process, we ensure that there are multiple levels of check before enrolling a new group or customer.

Center Meetings

Center meetings are conducted weekly or monthly at a fixed place and time on a particular day. We typically select a common place large enough to accommodate all members of the center, generally a customer's residence in the absence of any common meeting area. We try to ensure that the location is in the center of the village and is commonly used by people of the village to give visibility and transparency to the center meetings.

A center meeting is one of the core activities for our field staff and also a matter of importance to both our customers and us. Hence, we ensure that center meetings are conducted strictly as set out in our operational guidelines either on a weekly or fortnightly basis. Center meetings are vital for us for the following reasons:

- all financial and non-financial transactions with our customers are conducted at the center meeting;
- the center meeting is our point of contact with our customers, and this helps in relationship building with the customer;
- all our important schemes and policies are shared with our customers at the center meeting; and
- the center meeting plays an important role in building our brand image.

The timing of the center meeting is typically fixed by the respective groups. The duration of the meeting may be between 30 to 45 minutes, depending on the location and the volume of transactions.

We have a judicious mix of repayment with both weekly and monthly cycle loans, currently we have 39% of our total loan portfolio as of September 30, 2022 on weekly collection cycle and balance on the monthly collection cycle, to ensure that the repayment frequency matches our customer's cash flow frequency to lower the chances of a loan default.

Credit Appraisal, Sanction, Disbursement and Repayment Processes

Receipt of Loan Applications: Loan applications are submitted to the branch manager at the center meetings after ensuring that every group member is willing to take joint responsibility for the loan, i.e., the group relationship test. Our personnel facilitate discussions among group members and the group decides whether or not to approve the loan request from a particular member based on everyone's understanding of the nature of business activity the loan is intended to be used for, and the expected frequency of cash flows, viability and profitability. If the group agrees to the loan, the relationship officer accepts the loan application from the customer.

Loan Evaluation: After the receipt of the loan application (countersigned by the leaders of the group at an individual capacity), the credit officer makes a compulsory visit to the customer's residence to interview the customer and other members of her household to ascertain the repayment capacity of the customer. During the visit, the credit officer prepares the cash flow statement in the prescribed format if the member has applied for an income generating loan.

(This General Information Document is neither a prospectus nor a statement in lieu of a prospectus)

Loan Sanction and Further Processing: On the recommendation of the relationship officer and after reviewing the relevant documents, the branch manager will sanction the loan. The branch manager signs the sanction letter and sends it for approval of the credit terms, after discussion with the relevant credit officer.

Village Level Lending and Collection

Our approach to rural lending involves providing credit to borrowers in their village. Meetings begin early in the morning in order not to interfere with the daily activities of our members. We have developed a network that reaches each of the JLGs we lend to on a weekly or monthly basis. This allows us to regularly collect repayments on outstanding loans and disburse new loans, reinforce group stability, address community issues and eliminate the travel and time constraints that members may face with other lenders. Additionally, loan utilization checks are also done for at least 50% of the loan accounts disbursed in the previous month.

Risk Management

As a financial intermediary, we are exposed to risks that are particular to micro-credit lending and the environment in which we operate. We have identified and implemented comprehensive policies and procedures to assess, monitor and manage the risks we face. We seek to continuously improve our risk management processes to address the changing risk environment and to ensure that our processes are sufficiently agile to adapt to the changing risk landscape. The process of continuous evaluation of risks includes taking stock of the risk landscape on an event-driven basis.

We have developed detailed processes for risk management. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. These are discussed with both our Management and our Risk Management Committee. Some of the risks relate to competitive intensity and the changing legal and regulatory environment. The Risk Management Committee of our Board reviews the risk management policies in relation to various risks and regulatory compliance issues.

We have identified the following as key risks:

Political Risk

We recognize political risk as one of the major risks facing the industry and believe that political risk can be mitigated through responsible lending and fair pricing by way of:

- Robust customer grievance redressal mechanism – We have implemented toll-free customer service help lines; tele-calling services for the customer and check on any complaints on the employees or the company which are generally investigated within seven days from receipt.
- Calibrated growth – Our growth strategy aims to meet requirements of our members and also address concerns of various stakeholders.
- Engagement activity with the members and society including financial literacy and awareness programs.

Concentration Risk

We seek to mitigate concentration risk in both our loan portfolio and borrowings through well-defined geographic and borrower dependence norms. We have adopted a policy to limit the maximum exposure in a particular state to 1.5 times of net worth of a particular financial year with a variance of 0.25 times of net worth permitted for monthly movement on securitised or assigned portfolio.

Operational and Credit Risk

(This General Information Document is neither a prospectus nor a statement in lieu of a prospectus)

Our core business of providing unsecured loans in rural areas requires a high level of operational and credit risk management. To mitigate operational and credit risks, we have adopted the following strategies:

- *Product and process design.* We have adopted a uniform lending process across all branches and ensure that the process is well-documented for transparency and consistency, enabling predictability of transactions as a further risk mitigant.
- *Robust internal audit.* We have adequate controls and processes in place with respect to our operations. Our Internal Audit department monitors adherence to internal controls and processes and provides inputs for strengthening our risk management. Every branch is audited generally six times each year and 100.00% of loan documents are verified.
- *Role of Credit Vertical.* We have a credit officer at every branch who reports to the regional credit head who in turn reports to our head office. The credit vertical is not incentivised for bringing in new business and their focus is to ensure the process and policies are followed correctly.
- *Utilization check.* We check that all loans have been utilized within a month and further check how loans have been utilized by calling third parties on a sample basis.
- *Employee Rotation.* We have a policy to ensure that no field employee is posted in the same location for over two years in an effort to mitigate chances of collusion or fraud. All field employees are either transferred to another branch or rotated to another role in a pre-designed manner. The policy ensures that the employees have the predictability of their movements without putting them into undue hardships.

We seek to ensure efficient and uniform appraisal, disbursement, collection and delinquency management resulting from streamlined approval and administrative procedures. We have a well-established underwriting policy which ensures that customer selection is done after evaluating repayment capacity and completing detailed cash flows analysis. We use technology and automation to establish credit worthiness and repayment behaviour of individual borrowers by analysing credit bureau reports of borrowers, where available, before sanctioning loans. Further, we seek to emphasize regular end use and payment monitoring, which tie into our key risk parameters. For example, we carry out regular loan utilization checks, and typically endeavor to conduct such checks within one month of disbursement of the loans. These periodic checks and regular monitoring helps us in timely identification of borrowers or groups with increasing risk, enabling timely remedial measures, as applicable.

We have also implemented real time collections monitoring which ensures that any delay in collections is regularly highlighted and followed up to seek payment recovery

Liquidity Risk

We place significant emphasis on liquidity management and maintain a bias towards high levels of liquidity in order to address operational requirements and corporate commitments. Along with our diversified funding strategy and favorable asset-liability maturity profile, we seek to ensure we have sufficient liquidity to meet our business requirements and promote risk mitigation. We also have a mixture of fixed and variable interest rates in the borrowing profile which helps in a volatile interest rate risk scenario.

Risk management forms an integral part of our business and we recognize the importance of risk management towards our long term success. We have implemented well-defined key risk management policies. These policies primarily focus on addressing credit risk, operational risk and financial risk.

(This General Information Document is neither a prospectus nor a statement in lieu of a prospectus)

Financial Risk

We have adopted well established risk management policy to ensure there is no asset liability mismatch. Our borrowing committee works under the supervision of our Board to ensure that our cost of borrowings, interest rates for our borrowings and draw-downs on our loan facilities are well managed. Our investment committee seeks to ensure that our treasury operations are optimal, including by selecting appropriate short term savings instruments for the deployment of cash collected. Our cash management tie up with MFL helps greatly in treasury operations by limiting the amount of cash we collect and hold.

Material Civil Proceedings

1. Our Company has initiated recovery actions under the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 against Samson & Sons Builders and Developers Private Limited for the loan availed by the latter amounting to ₹ 735 lakh. Against the said actions, Mary Koshy & others, the persons who are the previous owners of one of the secured assets, have filed a Securitization Application against our Company before the Debt Recovery Tribunal, Ernakulam, which was dismissed. Subsequently they appealed before Debt Recovery Appellate Tribunal ("DRAT"), Chennai. The appeal was dismissed by the DRAT. The same has now been challenged before the High Court of Kerala in WP No. 22192 of 2019 and the matter is pending. In the interim, the borrower company is under resolution process as per provisions of Insolvency and Bankruptcy Code, 2016, by virtue of an order dated August 14, 2024 by National Company Law Tribunal, Kochi bench. initiated insolvency proceedings against the Borrower which stood as guarantor and mortgaged some of its properties to a facility granted by the said bank to one educational trust in the same group.

Pursuant to resolution professional **RP** issuing fresh notice in Form G, two Expression of Interests ("EOI(s)") were received from the committee of creditors ("COC") in its meeting held on August 2, 2024 and subsequent voting, approved one of the resolution plans submitted. NCLT Delhi vide order dated October 24, 2024 approved the Resolution Plan. Currently, the borrower is undergoing implementation of resolution plan.

3. Our Company had taken physical possession of the property of P Mahalingam, mortgaged in favour of MFL as security to the loan sanctioned to Santosh Hospital Private Limited, under the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 for an amount of ₹3,900 lakhs and accrued interest. Santosh Hospitals approached the Hon'ble High Court, Chennai under writ petition challenging the actions taken by the Company under SARFAESI Act, including the physical possession of the hospital taken through the court commissioner. The said writ petition got dismissed. Thereafter, Santosh Hospitals Pvt Ltd filed securitization application before DRT, Chennai challenging the action of taking possession of the secured asset by MFL which also stands dismissed. Thereafter, Santosh Hospitals Pvt Ltd has filed Insolvency proceedings under Insolvency Bankruptcy Code before NCLT, Chennai and Interim Resolution Professional was appointed in the matter. The Interim Resolution Professional demanded MFL to handover the possession of the assets taken by MFL under SARFAESI and the same is objected by MFL contending that the said assets do not belong to the corporate debtor. NCLT Chennai has since ordered liquidation of the said corporate debtor and is yet to dispose of the MA 363/2019 filed by the erstwhile interim resolution professional. The Liquidation orders dated December 4, 2019 was challenged in an appeal before NCLAT Delhi.

Further, NCLAT Delhi dismissed the two appeals filed by P Mahalingam on February 14, 2022. The said P Mahalingam has challenged the orders dated February 14, 2022 in SLP in Supreme Court. Supreme court ordered status quo in May 2022. After several hearings/adjournments SC passed an Interim Orders on 16.12.2022 allowing Dr Mahalingam to utilize the Hospital Building for running the hospital, without infringing the rights of any of the parties. MFL filed an application for the vacation of the said Interim orders in July 2023. The matter posted on August 23, 2023 was adjourned for four weeks at the request of the petitioner. 4. Our Company had advanced a loan of ₹ 700 lakhs to Ganga Foundations Private Limited ("Borrower") against one security held in the name of the company and two other securities in the name of the guarantors. Since the said borrower has defaulted in payments, our Company initiated recovery proceedings under the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 and took possession of the securities. SBI had also funded certain other projects of the said Ganga Foundations Pvt Ltd, called Spectrum Mall. SBI initiated insolvency proceedings against the Borrower. The Company joined the COC along with other lenders. As the Corporate Insolvency Resolution Process ("CIRP") period ended and SBI, the Institutional Financial Creditor having about 74 % voting rights, voted against the Resolution Plan submitted by a sole Resolution Applicant, the borrower went into liquidation. MFL stood outside the Liquidation and did not surrender the securities held in the name of the borrower to form part of the Liquidation estate. Despite the above the Liquidator claimed contributions towards the CIRP and Liquidation costs. MFL sought certain clarifications such as the details of the expenses and the reasons as to why the same were not met out of the income of the CD being the rent collected from the tenants in the Spectrum mall. The Liquidator arbitrarily and unilaterally included the security in the name of the CD held by MFL in the Liquidation Estate, and sought surrender of the same. Upon MFL refusing to do so, The Liquidator filed an application in NCLT Chennai seeking a direction to MFL to surrender the security. We have filed counter. NCLT disposed the order with a direction to the Company to surrender the title deed to the liquidator. This has been challenged in NCLAT Chennai vide Appeal No. 244/2025. The hearing was scheduled on May 28, 2025. 1. Our Company has on October 22, 2020 filed a writ petition bearing no. W.P. (C) No. 22768/ 2020 before the Hon'ble High Court of Kerala against Union of India & others. The Writ Petition has been filed in relation to the directions issued by RBI (RBI/2020-21/20 DOR No. BN.BC/7/21/04.048/2020-21) dated August 06, 2020 ("Circular") which directs scheduled commercial banks and payment banks not to open or maintain current accounts for customers who have availed credit facilities in the form of cash credit ("CC")/ overdraft ("OD") from the banking system and that all transactions are required to be routed through the CC/OD account. Our Company has *inter alia* prayed that RBI should issue clarification on implementation and enforcement of the Circular in light of the representations made by our Company to RBI and SBI and to SBI to seek clarifications on the points urged in representations made to SBI. Further, it has also been prayed that the implementation of Circular, in so far as our Company is concerned, should be kept pending the disposal of the Writ Petition. The Hon'ble High Court of Kerala has disposed of the said Writ Petition on April 9, 2021 wherein SBI was directed to consider the matter and to arrive at a workable solution in 6 months, failing which, SBI was directed to approach RBI. In the meantime, since other banks (where the Company has current accounts for its branches) have issued communications to close such accounts in view of the RBI circular and since SBI was already considering a process for devising an alternate solution to address the issues and such closure of accounts would have been detrimental to the interest of the Company, the Company has filed another Writ Petition before the Hon'ble High Court bearing W. P (C) No. 14854 / 2021 making all the banks party and seeking intervention of the court. The Hon'ble court was pleased to order status quo as regards current account and stay is extended till further orders on January 3, 2022 and matter is not listed thereafter. In the meantime, RBI has issued another circular RBI/2021-22/116 DOR.CRE.REC.63/21.04.048/2021-22 dated October 29, 2021 wherein opening of current accounts have been permitted with one bank which has more than 10% of banking exposure in the Company. 3. During Mr. Paul Abraham's tenure as the then Chief Manager of New Delhi at ABN Amro Bank ("Bank"), there was an allegation against him, in connection with import of gold coins from Austria by a company without proper compliances, through an account opened with the Bank. Subsequently, a complaint has been lodged before the Additional Chief Judicial Magistrate Court, New Delhi, wherein it was alleged that Mr. Paul Abraham and others arrayed as parties therein, have contravened the provisions of section 6 (4) and (5) of FERA, 1973 read with para 11.D.3 of the Exchange Control Manual. It was contended on behalf of Mr. Paul Abraham that he was not an authorised dealer and hence he cannot be prosecuted against any contravention of above provisions. Further, it was contended that he was only a Chief Manager of ABN Amro Bank, New Delhi Branch and he was not having any overall charge on the day to day affairs of the Bank and also there is no evidence that Mr. Paul Abraham did not act on anything personally which could constitute any offence under the above provisions, therefore arraying him as a party to the proceedings is illegal. The Supreme Court of India in Union of India vs ABN Amro Bank and Ors 2013 (9) SCALE 407 has held that the adjudication proceedings against ABN Amro Bank for violation of Section 6(4) and (5) of FERA, 1973 were illegal and cannot be sustained. This fact has been brought before the Chief Metropolitan Magistrate's court and the case now listed on May 24, 2025 at the stage of charge.

- give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("IndAS") under section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015, the relevant circulars, guidelines and directions issued by the Reserve Bank of India ("RBI") from time to time ("RBI Guidelines") and other accounting principles generally accepted in India, of the net loss and total comprehensive income and other financial information of the Company for the quarter and year ended 31 March 2025.

Responsibilities of Management and those charged with Governance for the financial Results

This Statement has been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder, RBI Guidelines to the extent applicable, other accounting principles generally accepted in India and in compliance with Regulation 53 and Regulation 52 read with Regulation 63 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board of Directors.

- Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the Audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matter

- a) The Statement includes the financial results for the quarter ended 31 March 2024 being the balancing figures between audited figures in respect of the full financial year ended 31 March 2025 and the published unaudited year to date figures upto 31 December 2024, being the date of the end of the third quarter of the current financial year, which were subject to limited review by us, as required under the Listing Regulations.
- b) The Statement includes figures for the quarter and year ended 31 March 2024, which were audited by predecessor auditor of the Company and who expressed unmodified opinion on those annual financial results vide their report dated 6 May 2024. This report has been relied upon by us for the purpose of the audit of the Statement.

Our opinion on the Financial Results is not modified in respect of above matters.

Opinion

We have audited the accompanying standalone financial statements of **Muthoot Microfin Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024; the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2024 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on this date.

Basis for opinion

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing ("Standards" or "SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's responsibilities for the audit of the standalone financial statements' section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements taken as a whole, in forming our opinion thereon and we do not provide a separate opinion on these matters. Key Audit Matters	How our audit addressed the key audit matters
Impairment of loans to customers: As at March 31, 2024 the Company has reported total gross loan assets of ₹ 96,235.55 Mn (March 2023: ₹ 71,987.02 Mn) against which an impairment loss of ₹ 1,878.55 Mn (March 2023: ₹ 1,720.17 Mn) has been recorded. The calculation of impairment losses on loans is complex and is based on application of significant management judgement and the use of different modelling techniques and assumptions which have a material impact on reported profits. The Company has applied a three-stage approach based on changes in credit quality to measure expected credit loss on loans. The key areas where we identified greater levels of management judgement and therefore, increase level of audit focus in the Company's estimation of ECL's are: • Staging of loans and determining the criteria for a significant increase in credit risk. • Model estimations – the most significant judgement aspects are determining Probabilities of Default ("PD"), Loss Given Default ("LGD"), and Exposures at Default ("EAD") • Determining macro-economic factors impacting credit quality of receivables ECL involves an estimation of probability weighted loss on financial instruments over their life, considering reasonable and supportable information about past events, current conditions, and forecast of future economic conditions which could impact the credit quality of the Company's loans and advances. In view of such high degree of Management's judgement involved in estimation of ECL, it is a key audit matter.	Our key audit procedures included: • Review of the Company's accounting policies for impairment of loan assets in terms of accounting principles laid down in Ind AS 109 and the governance framework approved by the Board of Directors pursuant to Reserve Bank of India guidelines issued from time to time. • Understanding the process of ECL estimation and related assumptions and tested the controls around data extraction and validation so as to evaluate the reasonableness of the Management estimates. • Assessed and tested the design and operating effectiveness of key manual and automated controls over completeness and accuracy of the key inputs and assumptions considered for calculation, recording and monitoring of the impairment loss recognized. Also, evaluated the controls over the modelling process, validation of data and related approvals. • Tested the ECL model, including assumptions and underlying computation. • Performed analytical reviews of disaggregated data to observe any unusual trends warranting additional audit procedures; • Assessed disclosures included in the standalone financial statements in respect of expected credit losses.

Key Audit Matters	How our audit addressed the key audit matters
IT systems and controls: The Company's key financial accounting and reporting processes are highly dependent on the automated controls in information systems, such that there exists a risk that gaps in the IT control environment could result in the financial accounting and reporting records being materially misstated. Accordingly, we identified IT systems and controls over financial reporting as a key audit matter for the Company.	• We tested the design and operating effectiveness of the Company's IT access controls over the information systems that are important to financial reporting and various interfaces, configuration and other identified application controls. • Review of internal reports and samples used for testing of IT related general controls • We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing requests for access to systems were reviewed and authorized. • We tested requests of changes to systems for approval and authorization. We also tested the design and operating effectiveness of certain automated controls that were considered as key internal controls over financial reporting.

Information other than the standalone financial statements and Auditor's report thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the Board's report and management discussion and analysis included in the annual report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Directors responsibilities for the standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls over financial reporting and the operating effectiveness of such controls.

- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- E. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143 (11) of the Act, we give in the "Annexure A" to this report, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure B to the Independent Auditor's Report

Referred to in paragraph 2 (f) under, "Report on other legal and regulatory requirements" of our report to the members of Muthoot Microfin Limited of even date:

**Report on the Internal Financial Controls
[Under Clause (i) of section 143(3) of the Companies Act, 2013 ("the Act")]**

Opinion

We have audited the internal financial controls over financial reporting of **Muthoot Microfin Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the guidance note") issued by the Institute of Chartered Accountants of India ("ICAI").

Managements and Board of Directors responsibility for internal financial controls

The Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT**To the members of Muthoot Microfin Limited****Report on the audit of the standalone financial statements****Opinion**

We have audited the accompanying standalone financial statements of **Muthoot Microfin Limited** (hereinafter referred as "the Company"), which comprise the balance sheet as at 31 March 2023, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (hereinafter referred as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended (hereinafter referred as "Ind AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31 March 2023, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (hereinafter referred as "SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements taken as a whole, in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the key audit matters as described below:

Also at Ahmedabad, Baroda and Pune. Associate Offices at Bengaluru, Chennai, Hyderabad, New Delhi and Panjim (Goa).

Key Audit Matters	How our audit addressed the key audit matters
Impairment of loans to customers: As at 31 March 2023, the Company has reported total gross loan assets of INR 71,987.02 million (March 2022: INR 46,197.26 million) against which an impairment loss of INR 1,720.17 million (March 2022: INR 2,216.15 million) has been recorded. The calculation of impairment losses on loans is complex and is based on application of significant management judgement and the use of different modelling techniques and assumptions which have a material impact on reported profits. The Company has applied a three-stage approach based on changes in credit quality to measure expected credit loss on loans. The key areas where we identified greater levels of management judgement and therefore, increase level of audit focus in the Company's estimation of ECL's are: • Staging of loans and determining the criteria for a significant increase in credit risk. • Model estimations – the most significant judgement aspects are determining Probabilities of Default ("PD"), Loss Given Default ("LGD"), and Exposures at Default ("EAD") • Determining macro-economic factors impacting credit quality of receivables ECL involves an estimation of probability weighted loss on financial instruments over their life, considering reasonable and supportable information about past events, current conditions, and forecast of future economic conditions which could impact the credit quality of the Company's loans and advances. In view of such high degree of Management's judgement involved in estimation of ECL, it is a key audit matter.	Our key audit procedures included: • Review of the Company's accounting policies for impairment of loan assets in terms of accounting principles laid down in Ind AS 109 and the governance framework approved by the Board of Directors pursuant to Reserve Bank of India guidelines issued from time to time. • Understanding the process of ECL estimation and related assumptions and tested the controls around data extraction and validation so as to evaluate the reasonableness of the Management estimates. • Assessed and tested the design and operating effectiveness of key manual and automated controls over completeness and accuracy of the key inputs and assumptions considered for calculation, recording and monitoring of the impairment loss recognized. Also, evaluated the controls over the modelling process, validation of data and related approvals. • Tested the ECL model, including assumptions and underlying computation. • Performed analytical reviews of disaggregated data to observe any unusual trends warranting additional audit procedures. • Assessed disclosures included in the standalone financial statements in respect of expected credit losses.

(This General Information Document is neither a prospectus nor a statement in lieu of a prospectus)

IT systems and controls: The Company's key financial accounting and reporting processes are highly dependent on the automated controls in information systems, such that there exists a risk that gaps in the IT control environment could result in the financial accounting and reporting records being materially misstated. Accordingly, we identified IT systems and controls over financial reporting as a key audit matter for the Company.	• We tested the design and operating effectiveness of the Company's IT access controls over the information systems that are important to financial reporting and various interfaces, configuration and other identified application controls. • Review of internal reports and samples used for testing of IT related general controls • We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing requests for access to systems were reviewed and authorized. • We tested requests of changes to systems for approval and authorization. We also tested the design and operating effectiveness of certain automated controls that were considered as key internal controls over financial reporting.

Information other than the standalone financial statements and auditor's report thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the Board's report and management discussion and analysis included in the annual report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Directors responsibilities for the standalone financial statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS. This responsibility also includes maintenance of adequate accounting records

(This General Information Document is neither a prospectus nor a statement in lieu of a prospectus)

In accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Company's Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- E. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to the Independent Auditor's Report

Referred to in paragraph 2 (F) under the heading, "Report on other legal and regulatory requirements" of our report on even date:

**Report on the Internal Financial Controls
(under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act"))**

Opinion

We have audited the internal financial controls over financial reporting of **Muthoot Microfin Limited** (hereinafter referred as "the Company") as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (hereinafter referred as "the guidance note") issued by the Institute of Chartered Accountants of India (hereinafter referred as "ICAI").

Managements and Board of Directors responsibility for internal financial controls

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment

of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
